Highfield Classic 380

The CL400 is specifically designed to fill the need for a larger luxury tender, that remains lightweight enough to hang on the back of a catamaran. It maintains all of the benefits of the other classic models including the choice of keeping your tender as an open boat or opting for our GT console. The additional roll bar at this size even makes this tender perfect for enjoying watersports!

We're proud to display Highfield Tenders in our Fort Lauderdale Showroom.

Standard Features

- ORCA® Hypalon or PVC tube
