Description

EN

Aquarius IV, a 35m custom made motor yacht built by CBI Navi, boasts timeless elegance with its distinctive design by Willem de Vries Lentsch, Jr. Originally built in 1995 in compliance with Lloyd's Register Certification 100 A1, the vessel underwent a significant refit in 2013, which includes the complete replacement of teak on all decks. In addition, over the past five years, the yacht has undergone extensive and thorough maintenance, including zero-hour overhaul of the engines and generators, as well as overhaul of all systems and complete restoration of the bathrooms. Capable of cruising at a cruising speed of 10 knots, AQUARIUS IV boasts an incredible range of 5,200 nautical miles, making it ideal for extended ocean exploration. With its combination of classic charm and modern comforts, this magnificent vessel offers an exceptional sailing experience for those seeking style and luxury on the water. Aquarius IV, 35-метровая моторная яхта, построенная по индивидуальному заказу CBI Navi, может похвастаться неподвластной времени элегантностью благодаря своему отличительному дизайну от Виллема де Вриса Ленча-младшего. Первоначально построенное в 1995 году в соответствии с сертификацией Регистра Ллойда 100 A1, судно прошло значительный ремонт в 2013 году, который включает в себя полную замену тика на всех палубах. Кроме того, за последние пять лет яхта прошла обширное и тщательное техническое обслуживание, включая капитальный ремонт двигателей и генераторов в нулевой час, а также капитальный ремонт всех систем и полную реставрацию ванн комат. Способная двигаться с крейсерской скоростью 10 узлов, AQUARIUS IV может

похвастаться невероятной дальностью плавания в 5 200 морских миль, что делает ее идеальной для длительных исследований океана. Благодаря сочетанию классического шарма и современного комфорта, это великолепное судно предлагает исключительные впечатления от плавания для тех, кто ищет стиль и роскошь на воде.
