Edgewater 262CX

Twin Yamaha F200 Four Stroke

The 262CX Crossover combines the offshore performance and unsinkable design of an EdgeWater with the seating, storage, features, and versatility of an offshore boat. It's capable of handling anything you want to do on the water while ensuring the safety of you and your crew, no matter the conditions. With its deep-V hull, Single Piece Infusion® (SPI) construction, premium components, and the dependability of Yamaha's four-stroke technology, the 262CX stands in a league of its own. It's an offshore boat that surpasses all others in its class, no matter the category.

We're proud to showcase Edgewater boats in our Tampa Showroom.
