Description

ENG 2006. 2 x 775 HP Volvo D12-800 6 berths in 3 cabins Lying: South Coast UK	Stowage lockers under cockpit seats Teak-laid floor throughout self-draining cockpit Warning light and audible alarm during garage door operation Warp lockers
ENG Extras Raymarine E120 GPS/Radar Chartplotter Raymarine 4kw Digital Radome Raymarine ST70 Autopilot Raymarine ST70 Depth & Speed Log AIS 2 X Raymarine Cameras to Port Aft Quarter and Engine Room Reverse Cycle Air Conditioning throughout including Cockpit 13.5kW Onan Generator Hydraulic Paserelle Upgraded Side Power Bow & Stern Thrusters Teak Laid Side Decks Cockpit Wetbar inc. Griddle & Ice Maker Additional TV to Cockpit Holding Tank Dash Skylight to Port Cabin American Cherry Interior Wood Black Coral Galley Worktop Fresh Water Deck Wash Bespoke Aft Canopy/Bimini Framework Stainless Steel Stern Guard Rail Under Water Lights Additional Engine Room Lighting Windscreen Demist Fans Electric Heated Towel Rails Blue Low Level Cockpit Lights	Deck Anchor chain locker Anchor winch (electric) Anchor winch controls Calibrated anchor chain Concealed telescopic swim ladder to bathing platform Full set of IMCO navigation lights Garage with winch system for concealed stowage of optional Jet RIB or PWC beneath aft sundeck Hot and cold water transom shower Life raft stowage Moulded non-slip deck surface Recessed self-draining area on foredeck with coachroof sun cushions 'Reticulated' non-absorbent foam cushions for forward and aft sundeck Remote control searchlight Riding light Rubbing strake Self-stowing through-hull Delta anchor Stainless steel bow fairlead(s) Stainless steel bow, spring and stern cleats Stainless steel handrails Stainless steel hull protection plate under bow Stainless steel pulpit Teak-laid bathing platform Toughened glass curved windscreen Transom gate from cockpit to integral bathing platform Twin horns Water filler(s) Windscreen washers Windscreen wipers
Standard Specification	Electrical Systems
24 Volt: Batteries - 2 x 180Ah exclusively for starboard engine starting Batteries - 4 x 180Ah wired in parallel supplying domestic services and port engine starting Circuit breaker 80amp for anchor winch Circuit breaker for bowthruster 300amp Emergency battery coupling system permits each engine to start from opposite engine battery bank	All 240v, 24v and 12v circuits (where applicable) protected by circuit breakers with main electrical load control panel Electrical sockets Heavy duty circuit breakers Isolating switches to all batteries Onan generator 7kVA
240 Volt: Polarity check and earth leakage protection system Regulated 75amp charger for domestic batteries	Engines and Sterngear
Cockpit 12v heavy duty weatherproof socket Access via transom deck to port and starboard side decks Aft cockpit hood with clear panels and zipped doorway Bathing platform lights Central dining area Cockpit bar with refrigerator, sink, hot and cold water, insulated coolbox Companion seating to helm Drinks holders Engine bay access hatch with stainless steel pneumatic support struts, independent of the tender garage Fender stowage Glove locker Manual bilge pump(s) Refrigerated coolbox to cockpit bar Stainless steel handrails	Aerodynamically designed engine air intakes Automatic bilge pumps for forward bilge, engine bay and rudder bay with manual 'on' override Automatic engine bay fi re extinguisher system Balanced rudders Cathodic protection Dripless shaft seals Electro-hydraulic trim tabs with cathodic protection Engine room soundproofing Electric engine bay fan(s) Engine bay lights Exhaust overheat warning system High capacity emergency manual bilge pump system with changeover valves Manganese bronze 'P' brackets Manganese bronze propellers contra-rotating Sea cocks on all inlets/outlets below waterline Stainless steel alloy shafts Water cooled through-hull engine silencers
	Freshwater System

Automatic, pressurised supply
Calorifier hot water system
Water tank(s)

Fuel System

Changeover valve system to permit each engine to draw fuel from, and return fuel to, either tank
Emergency fuel shut-off valves
High capacity water separators and fuel filters
Individual fillers and vents to port and starboard
Marine grade alloy fuel tanks x 2

Galley

Crockery stowage
Electric ceramic/halogen hob
Extractor fan
Work surface with covers
Halogen ceiling lights
Integrated waste bin
Lacquered cupboard doors
Lockers (overhead)
Microwave oven
Random teak floor
Refrigerator 4.6cu.ft. (130L) with automatic 12v/240v change-over
Stainless steel opening porthole(s) with flyscreen
Twin sinks with hot and cold mixer tap
Towel rail
Work surface lights

Helm Position

12v socket
Adjustable/tilt steering wheel
Bilge pump switches with integral operating warning lights and audible alarms
Bolstered helm seat(s)
Bowthruster controls
Chart table and light
Controls for engine bay fire extinguisher system
Drinks holders
Echosounder and speedometer/distance log repeater(s) with sea water temperature read out
Electronic single-lever throttle and gear controls
Folding foot plinth
Fuel gauges
Full engine instrumentation including; tachometers, oil pressure gauges, temperature gauges, battery condition indicators, audible alarms and engine hour meters
GPS chartplotter interfaced with autopilot
Helm position indicator
High speed magnetic compass
Powered steering
Raymarine E120 navigation display
Remote anchor winch controls
Searchlight controls
Trim tab controls
VHF radio telephone
Waterproof switches for navigation and riding lights, windscreen wipers and engine bay extractor fan(s)

Hullform and Construction

All gel coat and glass fibre hand laid with unidirectional, biaxial and woven rovings Antifouling protection to hull
Deep V forward; 20deg deadrise aft
Designed by Bernard Olesinski and the Fairline design team
Full length moulded spray deflectors
Hull/deck join bolted and bonded
Integrally moulded engine bearers
Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat
The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation

The integral bathing platform gives the boat a longer waterline length for improved performance, particularly at reduced power settings

The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draught and improving efficiency by reducing the shaft angle
Transverse and longitudinal strengthening stringers throughout hull

Main Saloon

Access to day heads
Aerial and connections for television
Bar unit
Control panel for 12v/24v/240v domestic electrical circuits
Cocktail table converts to dining table with additional stools
Deck hatch with flyscreen and blind
DVD/CD/radio with 2 speakers in saloon and 2 waterproof speakers in cockpit
Full-height standing headroom
Handrail
Halogen ceiling lights
LCD TV
Lockers (overhead)
Mood lighting
Sliding door to cockpit with integral blind system
Sofa
Stainless steel opening porthole(s) with flyscreen
Stowage lockers under dinette seating
Underfloor stowage hold

Master Cabin

Access to en suite bathroom
Bedside stowage
Drawer(s) under bed
Dressing table with vanity stowage
Full-height standing headroom
Halogen ceiling lights
Large hatch with flyscreen and concealed blinds to foredeck
Lockers (overhead)
Mirror
Moulded stowage locker under hinged bedboard
Oversized double bed
Stainless steel opening porthole(s) with flyscreen
Upholstered bedhead
Wardrobe(s)

Master En Suite Bathroom

220v/240v shaving point
Automatic shower tray pump-out system
Electric silent-flush freshwater toilet
Extractor fan
Avonite vanity unit locker and basin with hot and cold pressurised water
Full standing height circular shower with rotating screen
Halogen ceiling lights
Mirror
Stainless steel opening porthole(s) with flyscreen

Port Guest Cabin

Bedside stowage
Drawer(s) under bed
Full length berths x 2
Halogen ceiling lights
Mirror
Stainless steel opening porthole(s) with flyscreen
Upholstered bedheads
Wardrobe(s)

Shower/WC Compartment

220v/240v shaving point
Automatic shower tray pump-out system

Electric silent-flush freshwater toilet
 Avonite vanity unit locker and basin with hot and cold pressurised water
 Full set of bathroom fittings
 Full standing height circular shower with rotating screen
 Mirror
 Stainless steel opening porthole(s) with flyscreen

Starboard Guest Cabin

Bedside stowage
 Drawer(s) under bed
 Full length berths x 2
 Halogen ceiling lights
 Mirror
 Stainless steel opening porthole(s) with flyscreen
 Upholstered bedheads
 Wardrobe(s)

General information

Make:	Fairline
Model:	Targa 52 Gran Turismo
Year:	2006
Condition:	Used

Engine

Engine:	Volvo D12-800, 775 hp
Engine type:	
Fuel type:	Diesel

Measurements

Length:	16.22 m (53.22 ft)
Beam:	4.27 m (14.01 ft)
Deep:	1.09 m (3.58 ft)
Weight:	16000 ()

Accommodation

Cabins:	0
Berths:	0
