Description

EN
Highfield CL 290 aluminium RIB with capacity of 4 + 1 for those needing slightly more capacity than the smaller 260. This RIB offers extra comfort from the double hulled deck. The high quality finish and luxury look belies the fact that this range of tenders has been designed to work hard. A durable aluminium hull coupled with full length keel guards make these ideal for those beach-hopping days with friends and family. The large weight savings achieved compared to equivalent GRP tenders means you'll enjoy impressive performance with smaller engines, and with excellent payload capacities, the Classic range really does offer a tender for everyone. The hulls of the Classics are built of 2.5mm thick powder coated marine grade aluminium. Valmex PVC tubes - 1100 DTEX coated fabric. Including rigging and fit out with battery. Design category C. NB - library photos may not reflect specification of boat.

PLEASE CALL for a great deal on engine options and availability if required. We hold a large stock of Honda, Yamaha, Suzuki and Mariner outboards perfect for this tender.

Deck: PVC tubes 44cm diameter. Self-draining deck. Welded seams, Flush mount non return valves, High tensile chromated & powder coated aluminium hull. Bow locker (Fit 24L fuel tank). Integrated transom supports. Bow cushion. Lifting points and towing eyes. Tow bridle points. Brushed foam teak finish deck. Heavy duty rubbing strake and full length keel guard.

Cockpit: Optional Equipment: FRP bow step, molded bow cleat, transom storage box, bimini, extra seat, bow cushion, boat cover.

Trailer: Morgan Marine can supply a suitable trailer or launching trolley - at extra cost. Please call 01206 302008 for options and prices.
