Año:	2026
Condición:	Nuevo
Tipo de motor:	
Largo:	3.36 m (11.02 ft)
Anchura:	1.74 m (5.71 ft)
Cabañas:	0
Literas:	0

Descripción

EN
Introducing the Highfield EJET330 powered by Zerojet’s MKII Jet drive system. As well as the general benefits of electric over combustion (no petrol or diesel emissions, less noise, fewer moving parts and less maintenance, and a faster start), there are several benefits for electric jets when compared to electric outboards:
No exposed propeller for safer use in the water and safer swimming; With no outboard, the low profile means your RIB beaches easily and skims over shallow ecosystems; The compact profile also makes it better to stow and store in smaller spaces and also the ZeroJet jet pump and compact electric motor weigh 50% less than a comparable outboard motor. Contact Morgan Marine for more information of this stunning E Jet 330!!

Deck: ORCA hypalon tubes 43cm diameter. Self-draining deck. 2x Oars. Comes in four colours (I-B-C, B-G-DG ,DG-G-DG or LG-W-WD). Flush mount non-return valves. High tensile chromated & powder coated aluminium hull. Integrated transom supports. Bow locker. Tow bridle points. Brushed foam teak finish deck. Removable set lifting points and towing Eyes. Mooring cleats. Anchor light and Nav lights. Fold down boarding ladder. Heavy duty rubbing strake and full length keel guard. Foot pump and repair kit included with boat.

Cockpit: FCT8 floating console with 2 person bench seat + backrest. The console helm is an open style design giving you unprecedented legroom in a boat of its size while flush mounted LED switches and branded steering wheel add a dash of style. Electronics include: navigation lights, anchor light, lCD display, electric throttle and bilge pump.

Electronics: Zerojet’s MKII Jet drive system - 18kw 24hp. System voltage - 48v. Closed loop liquid cooling with brushless dc and integrated controller. 10.8kWh LifePo4 (lithium iron phosphate) - (underfloor-mounted) 2-5hrs / 1-2.5hrs with fast charger.

Trailer: Morgan Marine can supply a suitable trailer or launching trolley - at extra cost. Please call 01206 302003 for options and prices.
