ΕN

Highfield Sport 560 aluminium RIB with Honda BF100 outboard and capacity of 12, this is in our opinion the BEST 5.6m RIB on the market, it offers breath taking performance and handling thanks to its ingenious Aluminium hull design. The Highfield Sport 560 feels like a 6 or 7m RIB thanks to its vast amount of storage and seating. This boat is really equipped with everything you need from Garmin 65cv chart plotter, VHF radio, Fusion audio system, Console, swim platform, A-frame, Aluminium T-Top with fabric top, sun deck, PVC tubes and Black and Grey EVA decking. With the impermeable qualities of the aluminium hull, you dont have to worry about gel coats chips, or putting the boat on a trailer or on the beach. Design category C. Grey hull.

Cockpit: SUS800 Console. Bolster 800 seating with pilot and copilot seating. A-frame. Aluminium T-Top with fabric top

Electronics: Garmin Echomap UHD2 65 - 6" chartplotter, Garmin VHF 115i, Garmin GT20-TM transducer. Fusion Apollo SRX400 with 2x XS sport 6.5" LED speakers
