Description

EN
Just arrived at Morgan Marine, this 2004 Jeanneau Merry Fisher 625 is a superb example of a well cared for and highly specified cruiser/fisher, ideal for both relaxed family outings and serious fishing trips. Powered by a 2017 Mariner F115 outboard with approximately 474 hours, the boat offers reliable performance and efficiency, with the added reassurance of a Tohatsu 6hp auxiliary outboard for peace of mind. On deck, the large cockpit features bench seating with cushions, rod holders, electric trim tabs, and an electric windlass complete with anchor, chain, and rope. A full blue enclosed canopy provides excellent protection from the elements too! Below, the cuddy cabin offers two berths and a sea toilet, while the compact galley is equipped with a sink, storage, and stove. Additional features include shore power, solar panels with battery charger, and a 2024 Snipe 1600 roller trailer, making her perfectly suited to Morgan Marine's park and ride convenience.
