Description

EN
The Nimbus Tender 9 blends sleek style with practical features. Its white hull complements the warm Nordic oak interior, while tomato-red outdoor cushions and Flexiteek decking provide comfort and elegance. The boat features a T-top with enclosing aft canopy and foredeck includes an extended sunbed, railing cushions and a table. Functional extras include a water-ski pylon, sturdy roof racks, and a full mooring package with quality lines, fenders, and a spare anchor. Inside, the cabin features a cosy double berth, extra portlights and Nimbus pillows add comfort and brightness. At the helm, navigation and communication is provided by the Simrad NSX 12” plotters, xSonic SS60 sonar, and RS40 VHF with AIS. The electrical system includes shore power with 230V outlets, LED T-top lighting, Nimbus Connect, and a Clarion HiFi stereo with cockpit speakers. Powered by a Mercury Verado V8-300 XXL engine, the Tender 9 offers smooth handling with Active Trim, Quick bow thruster, and Zipwake trim control. The Webasto heater and defroster keep the cabin comfortable in cooler weather. This 2026 model Nimbus Tender 9 is on order with the factory but changes can still be made to the specification - call us to find out about our offers. Note - library photos may not reflect specification of boat.

Deck: This Nimbus Tender 9 boasts a stylish white hull adorned with the signature logo and a warm Nordic oak interior. Outdoor cushions in tomato red enhance comfort across the mid-sofa and foredeck sun seating - all with protective covers. The galley behind the helm seating includes a wet bar and a portable Weber gas grill for easy cooking. The foredeck features an extended sunbed and railing cushions. The T-top roof with enclosing canopy over the aft deck provides shade and shelter. Flexiteek decking with white caulking runs throughout, adding timeless elegance. Practical features include a water-ski pylon, roof racks with handrails supporting up to 60kg, and a table fitting on the foredeck. The comprehensive mooring package comes with fenders and ropes and a spare anchor system for secure docking. Antifouled hull for improved fuel efficiency and performance.

Cabin: The cabin features a double berth and storage. Additional portlights brighten the cabin, while the Nimbus pillow set adds extra comfort for relaxing onboard. Toilet and shower compartment with blackwater overboard discharge system for extended trips.

Cockpit: Helm and co-pilot convertible bolster seats for sitting or standing. Full engine controls, grab handles and windscreen for increased protection. At the helm, the Tender 9 is fitted with a Simrad NSX 12” plotter for intuitive navigation, supported by the Simrad xSonic SS60 thru-hull sonar transducer for accurate depth and fish finding. A Simrad RS40 VHF radio with AIS receiver and antenna ensures reliable communication and vessel tracking.

Electronics: The Tender 9 is equipped with a Chargemaster 12/25A shore power system, complete with a 25m cable and dual 230v outlets for convenient onboard power. An LED headlight on the T-top enhances visibility, while Nimbus Connect keeps you in control remotely. Entertainment comes via the Clarion hifi package, featuring a CMM30 stereo and two CMS651 speakers in the cockpit. Navigation and communication are powered by Simrad electronics, including a 12” NSX plotter, xSonic SS60 sonar, and RS40 VHF with AIS.

Machinery: Powered by a Mercury Verado V8-300 XXL in Cold Fusion White, the Tender 9 delivers smooth, responsive performance with integrated Active Trim. Manoeuvrability is enhanced by a Quick bow thruster and Zipwake dynamic trim control system (450mm). A Quick bow windlass ensures easy anchoring, while the Webasto AT3900 heater and defroster system with an 11.5L diesel tank keeps things comfortable in cooler conditions. Fuel capacity: 417L. Fresh water capacity: 56L. CE Category B4 / C8.
