2024 Northstar Axis 4.8

The Northstar Axis 4.8 is an inflatable tender with a maximum power rating of 80 HP. Its Delta Lift hull delivers a stable and dry ride. It is set apart from the competition by its many features offered as standard.

These features include Delta tabs, a replaceable transom for short or long shaft engines, an ergonomic console, an acrylic glove box with a main cut off switch and a USB charging port, an integrated fuel system with a fuel gauge and a water separator, an electrical system with a switch panel, LED navigation lights, an all-around light, and an automatic bilge pump, a swim platform with a ladder, large storage areas, a self-bailing deck, marine upholstery, and Hypalon tubes.

We’re proud to showcase Northstar Boats at our Fort Lauderdale showroom.
