Descripción

Boat location: Wanssum / The Netherlands (sales marina/showroom)

89 pictures on our website **grandyachts.eu** and in high-resolution upon request.

The sun pad version with bigger garage in combination with the all-electric glass is the most sought version of this very popular Prestige model.

This **2008** VAT-paid **Prestige 42s** with only 1207 hours is in a superb condition. A full deck salon with electric up and down glass and a full glass entrance door gives airtight protection in cold and windy days. With a touch of a button the enclosed hard top roof opens in seconds. The benefit of this example is the combination of this closed cockpit/salon, the glass and her huge sun pad area. Even more sun pads are found on her bow. Furthermore the Prestige 42s offers the 2 cabin, two bathrooms with both shower and head layout.. A pocket sized head-turning hard-top yacht with ample space, electric sliding roof and electric operated glass sliding cockpit that divides the upper saloon with her spacious aft deck sun pad area. Volvo IPS pods with the double speed mode joystick makes any manoeuvre super easy as if the boat was fitted with a bow and stern thruster.

The internal décor, designed by Garroni, in collaboration with Prestige's Styling Department, is modern and refined. The exceptional luminosity granted by the large windows is enhanced by light shades of high-tech fabrics.

All in all this Prestige 42s is a very popular family yacht that also comes fully serviced. You will receive a 100% working and serviced yacht.

The electric garage is opened by the touch a button and from the garage you have access to the very spacious engine room that is in great condition.

Viewing of this turn-key Prestige 42s is highly recommended.
