# Description

This is the limited Signature Edition of the Windy 26 Kharma, released to commemorate Windy Boats' 50th anniversary. It features a unique design, dedicated equipment package, and a higher specification than the standard model.

The boat was purchased new from an authorised Windy dealer in Poland and has had a single private owner since delivery. It has never been used for charter — private use only throughout its entire life. Condition is very good, both technically and cosmetically.
